Gift With a Thought in it

What other Christmas present costs so little and means so much as a subscription to The Youth's Companion—52 weeks for \$1.75? It is a gift which benefits not only the one who receives it, but every member of the same household.

With many Christmas presents the sense of novelty wears off by the week's end, but The Youth's Companion is as new and sought after the fifty-second week of the year as the first. It is elastic in its adaptability, too; for it does not matter whether the present is for a boy or a girl, young married people, sedate couples, grandparents—there never was one yet who did not get store by The Youth's Companion. You cannot make a mistake if you give The Companion—and it is only \$1.75 a year now. On January 1, 1912, the price will be advanced to \$2.00.

The one to whom you give the subscription will receive free The Companion's Calendar for 1912, lithographed in ten colors and gold, and you, too, as giver of the subscription, will receive a copy of the Calendar.

Before the great Drouth of 1901, the Hicks Almanac gave timely warning. For over two years prior to 1911, the Hicks Almanac again sounded a warning of drouth danger. And so for forty years this same friend of all the people has steadfastly refused the offers of speculators and continued to warn the public of the coming dangers of storm and weather. As they should have done, the people have nobly stood by Professor Hicks, their faithful public servant, who has grown old in their service. Send only one dollar to Word and Works Publishing Company, 3401 Franklin Avenue, St. Louis, Missouri, and get his agazine and Almanac both for one year. The Almanac alone, a fine book of 150 pages, is only 35c. by mail. Let everybody respond and receive the warnings of our National Seer for the coming year.

Pen and Paper.

"Paper," whether of rags or of wood pulp, still takes its name from the papyrus. "A" "book" is the beech, the wooden rod on which our forefathers cut their runic letters. And a "pencil" is still by derivation "penicillus," a little tail, having been originally the name of the Roman painter's brush.

Thanksgiving Dance

There seems to be some misunderstanding in regard to the dance to be given by the Ladies Club on Thanksgiving evening. It is strictly an invitation affair and only those holding invitations will be admitted, as the invitations will be taken at the door.

Teacher Should Rank High.

If education is to do what we hope for our children, it is imperative that the best and most gifted men and women should be attracted into the ranks of teachers and that they should be regarded as filling one of the most highly honored positions in the land.

Why, of Course!

Howard, a child of three years, observed a hole in his dress and gathering up the part with the hole in it, in his little chubby hand, said: "Mamma, give me a sears." I asked him what he wanted them for, and he said: "I want to tut the hole out of my dress!"—Delineator.
